CAPSBC is a private non-profit benefit public corporation and is the designated Community Action Agency for San Bernardino County. CAPSBC is one of the 1,000 Community Action Agencies nationwide dedicated to assisting low-income individuals and families become stable and self-reliant.

The mission of CAPSBC is "Working in partnership with the San Bernardino County communities to support low-income residents in achieving self-sufficiency." To achieve this, CAPSBC administers various programs and services to the low-income population. CAPSBC operates under a variety of government and private funding sources. The primary grant is the Federal Community Services Block Grant (CSBG), which is administered through the State Department of Community Services and Development.

CAPSBC is charged with serving over 800,000 low-income families and individuals, elderly, homeless and disadvantaged residents of San Bernardino County each year. CAPSBC delivers services to 78 San Bernardino County cities and communities.

Patricia L. Nickols is the Executive Director. CAPSBC's administrative offices are located at 686 East Mill Street, San Bernardino, CA. Normal business hours are 8:00 a.m. to 5:00 p.m. Monday to Friday.

## ***CAPSBC Programs and Services***

Creating and providing programs that address the most immediate needs of San Bernardino County's most economically-challenged residents has been CAPSBC's goal since its inception.

All residents who meet certain requirements established by the Federal Government's poverty guidelines are encouraged to apply for services offered under CAPSBC programs. Certain programs are designated for specific target groups such as single women with children and homeless families.

The following programs provide the county's low-income residents with a variety of support mechanisms:

- ***Family Development Program*** - Provides emergency services to needy families and individuals to include: rental assistance, motel vouchers, food vouchers, bus passes, information and referral, and others. Coordinates events for children such as summer camp and annual children's Christmas parties. Operates transitional housing program for homeless families, providing holistic case management and supportive services.
- ***Energy, Education, and Environmental Services***- Provides weatherization and energy conservation assistance to eligible low-income residents, provides appliance repair and replacement, processes applications for utility assistance through the Home Energy Assistance Program (HEAP), including wood and propane. Provides environmental services for lead-based paint hazardous conditions in homes.
- ***Skills Training & Employment Development*** – Skills Training Employment & Development (STED) Program– Provides training for able-bodied adults between 18-50 years old, without dependents to retain food stamps benefits while gaining basic work and employment training to become self-sufficient. The program provides case management and supportive services to clients to help them become stable in their lives as they achieve vocational and job skills

# ***FAMILY DEVELOPMENT PROGRAM***

## ***PURPOSE***

The Family Development Program (FDP) provides an integrated range of services to address emergency needs and crisis situations, and also to improve the quality of life for low-income clients. The program focuses on developing partnerships and successful outcomes in the areas of education, employment and vocational training to promote long-term success for clients.

## ***RENTAL ASSISTANCE***

FDP operates a 12-month transitional housing program for homeless families who are seeking to redirect their lives from dependency to self-sufficiency. Through this project, a new level of opportunity exists for homeless families to pursue careers, education and job training in a stable living environment. A Family Development Specialist (or case manager) monitors and tracks client development; assists with emergency resources; and helps to identify viable job training and permanent housing options for clients. Clients must sign a one-year lease and case management contract upon entry to the program.

## ***EMERGENCY ASSISTANCE***

The CAPSBC Family Development Program provides emergency assistance to individuals and families meeting eligibility criteria, who are experiencing unexpected crisis situations. Assistance is provided in the areas of food, shelter, rental, transportation, and miscellaneous other areas. All services require justification of the emergency, along with written documentation that the client has made an honest effort to contact other sources such as the County's Transitional Assistance Department (TAD). Food vouchers are issued based upon emergency need and family size. Note: This assistance is *not* provided to supplement monthly food stamps. Shelter is available through motel vouchers, for an average of seven days for eligible clients who have identified a permanent housing solution after the seven days. Clients must be in critical need of shelter or experiencing an emergency situation. Shelter assistance can be accessed only once every 24 months. Transportation assistance in the form of bus passes or gasoline vouchers is also available for eligible clients. All services require the following documentation:

- Must be a resident of San Bernardino County.
- Proof of income (documentation provided must be within the last 30 days).
- Social Security cards for everyone in the household.
- Picture I.D.
- Must have documentation of the emergency.

# ***CAPSBC CHILDREN'S PROGRAMS***

## ***SUMMER CAMP***

Each year the Family Development Program, in conjunction with the Los Angeles Times, sponsors camperships for low-income and homeless children between the ages of 7 and 13 who have never attended camp. The camp is located in the San Bernardino Mountains, where the children enjoy one week of fun activities such as swimming, hiking, fishing, and crafts. Parents must meet the income guidelines required by the Los Angeles Times Summer Camp Fund for their children to qualify. CAPSBC

provides the children's camping needs such as sleeping bags, backpacks, flashlights, and toiletries.

## ***CHRISTMAS CELEBRATION***

The Family Development Program sponsors an annual children's Christmas event for homeless and low-income children in San Bernardino County. The celebration is complete with food, entertainment, presents, and a visit from Santa. Two events are sponsored each year – one in the San Bernardino area and one in the High Desert – in order to reach as many low-income children as possible. Volunteers are always welcome and encouraged to participate.

## ***LOCATION/HOURS***

The Family Development Program is located at Community Action Partnership of San Bernardino County, 686 East Mill Street, San Bernardino, CA 92415-0610. Carolyn Debevec is the Program Manager and the telephone number is (909) 891-3950. Office hours are 8:00 a.m. to 5:00 p.m. Monday through Friday.

# ***ENERGY, EDUCATION, AND ENVIRONMENTAL SERVICES***

## ***PURPOSE***

The Community Action Partnership of San Bernardino County's Energy, Education, and Environmental Services provides a number of programs designed to assist qualified low-income households with energy efficient upgrades and conservation measures. San Bernardino homeowners or renters who receive public assistance or those whose income meet the Federal Poverty guidelines can qualify for free weatherization services. These services include major installations such as attic insulation, hot water heater blankets, weather-stripping and furnace repair or replacement, to name a few.

Other available services include the Home Energy Assistance Program (HEAP), which processes applications for eligible residents to receive annual utility credits; the lead hazard reduction program, which inspects for lead-based paint in older homes.

These combined efforts of weatherization strategies, as well as educational techniques such as Energy Education Workshops teach clients how to lower utility bills and conserve energy work to make the lives of hundreds of residents more healthful.

## ***ADDITIONAL WEATHERIZATION MEASURES***

# ***SKILLS TRAINING & EMPLOYMENT DEVELOPMENT***

## ***PURPOSE***

The Skills Training Employment and Development (STED) Program provides workfare opportunities for the able-bodied adults ages 18-50 without dependents (ABAWDs) and other low-income to retain their food stamp benefits under the Personal Responsibility and Work Opportunity Act (PRWORA) of 1996. Participants at risk of losing their benefits must participate in a monthly 20-hour community service or job training program.

STED administers assessments, physical examinations and transportation assistance to those who are actively involved in the program.

The program identifies private sector and community-based organizations to participate as work sites for the STED clients, and work in partnership with Jobs in Employment Services Department (JESD) and others to provide job training and skills development to STED clients.

Clients, accordingly, are offered useful non-salaried work experience from the private and public sectors, and though supervised and unsupervised job searches.

In order to be eligible:

- Clients must be referred by the Transitional Assistance Department (TAD).
- Clients must be recipients of Food Stamps

Position development and site monitoring are performed by CAPSBC STED Program staff. Clients are provided a monthly time sheet that must be signed by the work site supervisor to verify hours worked. Under the program's guidelines, a client can only miss 3 months of community service within a 36-month period or their Food Stamps will be sanctioned.

There is no cost to participate in the STED Program. Office hours are 8:00 a.m. to 5:00 p.m. Monday through Friday. STED is located at the Community Action Partnership of San Bernardino County, 686 East Mill Street, San Bernardino, California 92415-0610. Sandra Brown is the program manager. The telephone numbers are (909) 891-3765, (909) 891-3866 or (888) 743-1477.

# ***FOOD BANK***

## ***PURPOSE***

To reduce the level of hunger and improve the nutritional value of the diets of the County's low-income population. The goal of the program is to distribute about 300,000 pounds of food to approximately 12,000 households monthly with USDA (provided by the Federal government) and salvaged-(donated by private organizations) food commodities through a network of 90 sites.

## ***SERVICES AVAILABLE***

The CAPSBC Food Bank provides this service throughout the county on an ongoing basis. There are also special lines for disabled persons. The facility is able to store and donate food to various nonprofit sub-agencies to help those in need.

USDA commodities distribution is also provided to approximately 20 congregate feeding agencies (soup kitchens) countywide, serving a minimum of 38,000 meals per month.

Eligibility requirements include proof of residency, and the total amount of household income must be within Temporary Emergency Food Assistance Program income parameters — which is currently 150 percent of the Federal poverty level.

There is, however, no special requirement for those who want to eat at the congregate feeding agencies. It is presumed all participants are hungry.

CAPSBC's Food Bank also serves walk-in clients for emergency food Mon-Fri 9:00 a.m.-11:30 a.m.

## ***HOURS/LOCATION***

The San Bernardino County Food Bank located at 255 E. Drake Street, San Bernardino, CA 92408. The Food Bank office hours are 8:00 am to 5:00 pm, Monday through Friday. Herman Pena is the Program Manager. The telephone number is (909) 386-5011.

# ***INLAND EMPIRE INDIVIDUAL DEVELOPMENT ACCOUNTS (IEIDA)***

## ***PURPOSE***

The Community Action Partnership agencies of San Bernardino and Riverside have joined forces to develop and implement the Inland Empire Individual Development Accounts (IEIDA) program, a high impact program that assists low-income residents in our respective counties to acquire personal economic assets and reduce poverty. Individual Development Accounts are dedicated savings that allow low-income workers to save earnings and acquire assets as a way out of poverty. IEIDA will allow participants to deposit \$20 a month into a secured savings account, in order to work toward the purchase of a productive asset-- a home, a small business or post-secondary education. Program participants' savings deposits will be matched 2:1 in order to make purchasing one of these assets a realistic goal for low and moderate-income families of San Bernardino County who are willing to save regularly for 1 1/2 to 2 years.

## ***PROGRAM ELIGIBILITY***

The IDA program has been designed to augment programs that already exist within San Bernardino County. All low-income households with earned income are eligible:

- Temporary Assistance to Needy Families (TANF) recipients
- Households whose adjusted gross income qualifies them for the Earned Income Tax Credit (EITC)
- Households, whose annual income does not exceed 200 per cent of the OMB poverty threshold.

In addition, all program participants take part in a six part personal finance and money management workshop series designed to help them find the money for regular savings deposits and prepare for asset ownership. This personal finance workshop series is presented with assistance from community partners. The telephone number is (909) 891-3827. The contact person is Charles James.

## ***HOMELESS COALITION***

The CAPSBC Homeless Coalition is a partnership of individuals and organizations (public and private) collaborating expertise and resources to reduce the plight of San Bernardino County's homeless. Established in 1991 for the purpose of developing a countywide system to nurture and strengthen the emergency shelter network system, the Coalition serves to generate viable solutions toward re-integrating homeless persons as contributing members of society.

Since 1997, the Homeless Coalition serves as the countywide consortium for the annual Application for Homeless Funding from the U.S. Department of Housing and Urban Development (HUD). For 2005, San Bernardino County received a total of \$5,546,901 to fund 13 projects. In 2004 CAPSBC was awarded \$2,745,517 million by the U.S. Department of Housing and Urban Development to implement an Integrated Social Services Center and a Homeless Management Information System (HMIS). The Integrated Social Services Center will provide services to homeless individuals and families in "a one stop" setting. The HMIS will track unduplicated homeless clients, improve the delivery of services across agencies and standardize reporting information to HUD. Homeless Coalition also provides information and referral, advocacy, and support to homeless individuals and service providers.

The Homeless Coalition is located at the Community Action Partnership of San Bernardino County, 686 East Mill Street, San Bernardino, California 92415-0610. Office hours are 8:00 am to 5:00 pm, Monday through Friday. The Homeless Coalition is overseen by Naomi Norman, Program Specialist. The telephone number is (909) 891-3884.
